Summary of Romans chapters 1-11

Paul's message in Romans 1-11 establishes that all humanity stands guilty before God and cannot earn salvation. God offers righteousness as a free gift, received solely through faith in Jesus Christ rather than good works. Guided by the Holy Spirit, believers are freed from the power of sin and granted eternal security in God's love.

1. What is the "Therefore" referring to?
2. What is a living sacrifice? What does the verse define it as?
3. What does it mean to be Holy?
4. What effort does it take to be conformed in contrast to being transformed?
5. Why is this the action step of the previous 11 chapters?

Apply:

1. Our rebellious hearts do not want to conform to authority, yet we conform to the world by default. Where do you see that you have conformed to the world and resisted being transformed by God?
2. God has given you His unlimited power and resources to change or transform your life. What is the one area you want to see transformed?
3. What will you do?
